Happy to support CEPEC!!
I can't wait for this to open and start having events. We need this facility and the jobs for Sonoma county
Horseback is the best way to enjoy wilderness if one is unable to walk.
Yes I support CEPEC's plan for the use of the SDC acreage to help preserve the current environmental habitat, which is conducive to CEPEC's equestrian center.
This is much needed in Sonoma County!
This would greatly enhance the available equestrian facilities of Sonoma County and would provide a much needed venue in California (and the nation) for major events.
We need an equestrian center in this area
I fully support these efforts and encourage every Californian to do so as well.
This would be a great asset to Sonoma County.
Any worthwhile project to keep equestrian events in California is welcomed and supported.
It will fulfill a need and be an unique and excellent horse park on the West Coast!
We really need more equestrian centers near and around the Northern California area to hold equestrian events of significant size because this is something lacking in the Northern region. Please make this happen. Sincerely, Donna Cabral
Bring horses to the public.
Great! Hope CEPEC gains the land.
Fingers crossed...
CEPEC would help increase our existing equine industry from \$600 million per year to \$1 billion per year. Which would create more jobs and increase tax revenue for the County.
The right place at the right time!
Equestrians will flock to this proposed facility, not only bringing strong financial gains to the area but also giving new support and a healthy outlet to the unfocused youth in Sonoma County. We need this project to bring back the balance of beneficial land use vs mono agriculture.
We support keeping horses in Marin and Sonoma Counties.
Sonoma county needs more space devoted to horse activities that are safe. Most trails now are shared with bikes it can be dangerous for both the horse and bike riders.
Sonoma County really needs this land
Should be wonderful
Bring it on!!!
I have followed CEPEC from their beginning and have been a supporter of their mission. It will benefit Sonoma county in so many ways.
An Olympic equestrian center in Sonoma Valley would benefit many important public causes!
A great opportunity
Yes to CEPEC
We need this to happen for our horse community!
Needed!
Looking forward to this facility!
This facility would be a great asset to our horse community !
Totally support this much needed equestrian project and the value it would bring to Northern California on many levels!

What a wise use of acreage!
This would be a great opportunity for northern California!
Unique answer
Please ensure that our children will have a place to ride.
What a capital concept! Sonoma County would certainly benefit from a world class equestrian facility. Trails at Jack London are such an added bonus.
Sounds like a great addition to the county. More horse lovers here the better!
Sonoma county needs this!
I support CEPEC
So much time and effort have been contributed by CEPEC supporters to this worthwhile goal. I look forward to CEPEC's mission coming into fruition.
Great project
I believe this can provide some benefit to the clients at the development center. by providing calls to work with some horses.
Good idea.
Great idea,
Very worthy project.
Would be great.
I support CEPEC and look forward to the completion of the equestrian complex.
This is a huge opportunity for the equestrian community in our county! I hope it succeeds!
We need this!!
What a great thing for families and kids to use to be outside in the age where we are losing touch with nature!
Badly needed
Great idea we need more available land for our horse activities.
We support the CEPEC
Hope we can keep the land from developers!
I support this petition
I would like to have CEPEC acquire land for an equestrian park
This is a much needed facility in Sonoma county.
I support this petition!!!
Let's do this!
Would love more Bay Area equestrian facilities!!
A great use for this property!
Good Luck. There are fewer and fewer equestrian facilities around.
I agree with the CEPEC complex.
What a wonderful idea for the use of this property! Sonoma County has a long history of famous horses and horse breeders and California needs this type of facility.
Bring our horse world up to date!
Great use of the land!
The county could use a facility like this
In favor!

This would be an incredible advancement in equestrian sports on the west coast

I hope this comes to fruition!

Our lives can be so enriched by these magnificent creatures, thanks for the opportunity to support the development of an equestrian park,

Keep horses in the future of California

Great use of this land and much needed to support the future of our local equine industry.

We need facilities to keep horses in the area and to bring new horse people into the area.

We need to have a wonderful facility like this. It is way overdue.

Good luck with your goal it would be nice to have such a large equestrian park available to use

This would be a great use of the land!!

Very exciting! Hope it all comes together.

It's a whole lot better than putting in more vineyards!

A much needed venue

It would be a huge plus for our County and for its history with horses

I think this land would be perfect for the CEPEC project!

This is a terrific project. I support it wholeheartedly.

We really need this facility in Sonoma County

That sounds great. So many benefits of having it there.

A great place for horse enthusiasts!

I grew up riding horses in Golden Gate Park, in San Francisco. We had more access to trails than we do in many other places in the Bay Area. We need more places to ride. Let's make this happen!!

We have an opportunity to site the California Equestrian Park & Event Center on state owned land in Sonoma County.

Thank you!

Unique opportunity the best equestrian center in the world.

Looking Forward to this :)

Good show, Wanda! I wish you ongoing productivity and success.

Wanda, Glad to see it coming together

I fully support the proposal of CEPEC to purchase land and develop the project for an Olympic level equestrian complex.

This would create a win-win solution for the Developmental Center & the long overdue implementation of CEPEC, both valuable assets for Sonoma County.

We are in need of a facility of this kind!

It would be amazing to have CEPEC here in Sonoma County. This location is so stunningly beautiful and would be a perfect fit!

What a wonderful thought!

Much needed in Sonoma County

Great thought

This would be a great asset to our county and state.

Much needed

Signing the petition

I'm super excited for this facility! :)

Looking forward to it.

Cannot come soon enough!

This center will benefit our community in very many ways. We need support from all who favor this exciting growth and development that will surely be for present and future generations.

It will be a great thing for the county!

We so need an equestrian event center!!!

That would be awesome location

This Equestrian Park will help to diversify tourism to Sonoma county. It has the real potential to attract travelers not only from the U.S. but from abroad. This is a great opportunity for Sonoma county. I enthusiastically endorse it!

This is an invaluable resource for Sonoma and Marin Counties. It will be a wonderful asset to Petaluma and the surrounding community.

This will be another attraction to the already splendid area!

Wishing you success

Go CEPEC!

CEPEC has been a project I fully endorse and support. I hope that the community, specially the equestrian community will get fully behind this project to its fruition. As a professional and a life-long equestrian I can fully appreciate what CEPEC will do for not only our local community and Sonoma County but California and the U.S.

Let's bring our equestrian community together by supporting CEPEC in Sonoma County.
